Hear The Birds Singing 🎵

ABOUT THE DATA: I recorded the twitters of the birds I heard for one week, from 2.24 to 3.1.

How to READ IT: Each bird represents one time.

Weather:

- Sunny (represented by a yellow bird)
- Cloudy (represented by a grey bird)
- Rainy (represented by a blue bird)

My Location:

- Dining room (represented by a pink bird)
- Garden (represented by a green bird)
- My balcony (represented by a purple bird)
- My bedroom (represented by a grey bird)

Different Types of the twitters:

- number of blue birds (represented by a blue bird)
- a lot that I could tell (represented by a grey bird)
- means a mix of different twitters (represented by a grey bird)
